[Reverse of Bond]

This bond is one of the bonds of a series designated as First Mortgage Bonds, 5.44% Series due 2030 (sometimes herein referred to as the “Bonds of the 2030 Series”) limited to a maximum aggregate principal amount of \$50,000,000. Bonds of the 2030 Series are bonds of an authorized issue of bonds of the Company known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund, or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to Computershare Trust Company, National Association (as successor to Wells Fargo Bank, National Association), as Trustee, as supplemented, amended, and modified by eighty supplemental indentures and by the Eighty-First Supplemental Indenture (such Indenture of Mortgage and Deed of Trust as so supplemented, amended, and modified by such eighty supplemental indentures and the Eighty-First Supplemental Indenture being hereinafter called the “Indenture”), to which Indenture reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties, and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder. Capitalized terms used herein and not defined herein shall have the respective meanings in the Indenture, unless otherwise noted.

The Bonds of the 2030 Series are not subject to any sinking fund.

The Bonds of the 2030 Series may be redeemed by the Company prior to maturity as a whole, at any time, or in part, from time to time on notice given not more than ninety nor less than thirty days prior to the date of such redemption at the option of the Company at a price equal to the greater of (i) the principal amount of the portion of this bond to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on this bond (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2030 Series outstanding on or after June 15, 2030 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption.

If this bond or any portion thereof (\$10,000 or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the date fixed for such redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five percent in principal amount of the

bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty percent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons if the modifications or alterations would adversely affect or diminish the rights of the holders of any bonds against the Company or its property; provided, however, that no such modification or alteration shall be made without the written approval or consent of all holders hereof which will (i) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof, (ii) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (iii) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

The transfer of this bond is registrable by the registered owner hereof in person or by such owner's attorney duly authorized in writing, at the corporate trust office of the Trustee in St. Paul, Minnesota, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee, and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or on account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the Company, the Trustee, nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$100,000 or any amount in excess thereof that is an integral multiple of \$10,000. The registered owner of this bond at its option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture. Bonds may be issued in a denomination of less than \$100,000 (but in multiples of at least \$10,000) if necessary to enable the registration of a transfer by a holder of its entire holding of bonds, or if necessary for the redemption of bonds.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in certain cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director, or officer, past, present, or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors, and officers, as such, being waived

and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

This bond is one of the bonds of a series designated as First Mortgage Bonds, 5.48% Series due 2033 (sometimes herein referred to as the “Bonds of the 2033 Series”) limited to a maximum aggregate principal amount of \$150,000,000. Bonds of the 2033 Series are bonds of an authorized issue of bonds of the Company known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund, or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to Computershare Trust Company, National Association (as successor to Wells Fargo Bank, National Association), as Trustee, as supplemented, amended, and modified by eighty supplemental indentures and by the Eighty-First Supplemental Indenture (such Indenture of Mortgage and Deed of Trust as so supplemented, amended, and modified by such eighty supplemental indentures and the Eighty-First Supplemental Indenture being hereinafter called the “Indenture”), to which Indenture reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties, and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder. Capitalized terms used herein and not defined herein shall have the respective meanings in the Indenture, unless otherwise noted.

The Bonds of the 2033 Series are not subject to any sinking fund.

The Bonds of the 2033 Series may be redeemed by the Company prior to maturity as a whole, at any time, or in part, from time to time on notice given not more than ninety nor less than thirty days prior to the date of such redemption at the option of the Company at a price equal to the greater of (i) the principal amount of the portion of this bond to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on this bond (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2033 Series outstanding on or after June 15, 2033 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption.

If this bond or any portion thereof (\$10,000 or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the date fixed for such redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five percent in principal amount of the

bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty percent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons if the modifications or alterations would adversely affect or diminish the rights of the holders of any bonds against the Company or its property; provided, however, that no such modification or alteration shall be made without the written approval or consent of all holders hereof which will (i) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof, (ii) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (iii) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

The transfer of this bond is registrable by the registered owner hereof in person or by such owner's attorney duly authorized in writing, at the corporate trust office of the Trustee in St. Paul, Minnesota, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee, and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or on account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the Company, the Trustee, nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$100,000 or any amount in excess thereof that is an integral multiple of \$10,000. The registered owner of this bond at its option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture. Bonds may be issued in a denomination of less than \$100,000 (but in multiples of at least \$10,000) if necessary to enable the registration of a transfer by a holder of its entire holding of bonds, or if necessary for the redemption of bonds.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in certain cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director, or officer, past, present, or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors, and officers, as such, being waived

and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

[Reverse of Bond]

This bond is one of the bonds of a series designated as First Mortgage Bonds, 5.68% Series due 2038 (sometimes herein referred to as the “Bonds of the 2038 Series”) limited to a maximum aggregate principal amount of \$100,000,000. Bonds of the 2038 Series are bonds of an authorized issue of bonds of the Company known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund, or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to Computershare Trust Company, National Association (as successor to Wells Fargo Bank, National Association), as Trustee, as supplemented, amended, and modified by eighty supplemental indentures and by the Eighty-First Supplemental Indenture (such Indenture of Mortgage and Deed of Trust as so supplemented, amended, and modified by such eighty supplemental indentures and the Eighty-First Supplemental Indenture being hereinafter called the “Indenture”), to which Indenture reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties, and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder. Capitalized terms used herein and not defined herein shall have the respective meanings in the Indenture, unless otherwise noted.

The Bonds of the 2038 Series are not subject to any sinking fund.

The Bonds of the 2038 Series may be redeemed by the Company prior to maturity as a whole, at any time, or in part, from time to time on notice given not more than ninety nor less than thirty days prior to the date of such redemption at the option of the Company at a price equal to the greater of (i) the principal amount of the portion of this bond to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on this bond (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2038 Series outstanding on or after June 15, 2038 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption.

If this bond or any portion thereof (\$10,000 or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the date fixed for such redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five percent in principal amount of the

bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty percent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons if the modifications or alterations would adversely affect or diminish the rights of the holders of any bonds against the Company or its property; provided, however, that no such modification or alteration shall be made without the written approval or consent of all holders hereof which will (i) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof, (ii) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (iii) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

The transfer of this bond is registrable by the registered owner hereof in person or by such owner's attorney duly authorized in writing, at the corporate trust office of the Trustee in St. Paul, Minnesota, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee, and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or on account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the Company, the Trustee, nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$100,000 or any amount in excess thereof that is an integral multiple of \$10,000. The registered owner of this bond at its option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture. Bonds may be issued in a denomination of less than \$100,000 (but in multiples of at least \$10,000) if necessary to enable the registration of a transfer by a holder of its entire holding of bonds, or if necessary for the redemption of bonds.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in certain cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director, or officer, past, present, or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors, and officers, as such, being waived

and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

[Reverse of Bond]

This bond is one of the bonds of a series designated as First Mortgage Bonds, 5.78% Series due 2053 (sometimes herein referred to as the “Bonds of the 2053 Series”) limited to a maximum aggregate principal amount of \$100,000,000. Bonds of the 2053 Series are bonds of an authorized issue of bonds of the Company known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund, or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to Computershare Trust Company, National Association (as successor to Wells Fargo Bank, National Association), as Trustee, as supplemented, amended, and modified by eighty supplemental indentures and by the Eighty-First Supplemental Indenture (such Indenture of Mortgage and Deed of Trust as so supplemented, amended, and modified by such eighty supplemental indentures and the Eighty-First Supplemental Indenture being hereinafter called the “Indenture”), to which Indenture reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties, and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder. Capitalized terms used herein and not defined herein shall have the respective meanings in the Indenture, unless otherwise noted.

The Bonds of the 2053 Series are not subject to any sinking fund.

The Bonds of the 2053 Series may be redeemed by the Company prior to maturity as a whole, at any time, or in part, from time to time on notice given not more than ninety nor less than thirty days prior to the date of such redemption at the option of the Company at a price equal to the greater of (i) the principal amount of the portion of this bond to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on this bond (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2053 Series outstanding on or after May 15, 2053 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption.

If this bond or any portion thereof (\$10,000 or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the date fixed for such redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five percent in principal amount of the

bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty percent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons if the modifications or alterations would adversely affect or diminish the rights of the holders of any bonds against the Company or its property; provided, however, that no such modification or alteration shall be made without the written approval or consent of all holders hereof which will (i) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof, (ii) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (iii) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

The transfer of this bond is registrable by the registered owner hereof in person or by such owner's attorney duly authorized in writing, at the corporate trust office of the Trustee in St. Paul, Minnesota, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee, and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or on account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the Company, the Trustee, nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$100,000 or any amount in excess thereof that is an integral multiple of \$10,000. The registered owner of this bond at its option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture. Bonds may be issued in a denomination of less than \$100,000 (but in multiples of at least \$10,000) if necessary to enable the registration of a transfer by a holder of its entire holding of bonds, or if necessary for the redemption of bonds.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in certain cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director, or officer, past, present, or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors, and officers, as such, being waived

and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

This bond is one of the bonds of a series designated as First Mortgage Bonds, 5.83% Series due 2059 (sometimes herein referred to as the “Bonds of the 2059 Series”) limited to a maximum aggregate principal amount of \$100,000,000. Bonds of the 2059 Series are bonds of an authorized issue of bonds of the Company known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund, or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to Computershare Trust Company, National Association (as successor to Wells Fargo Bank, National Association), as Trustee, as supplemented, amended, and modified by eighty supplemental indentures and by the Eighty-First Supplemental Indenture (such Indenture of Mortgage and Deed of Trust as so supplemented, amended, and modified by such eighty supplemental indentures and the Eighty-First Supplemental Indenture being hereinafter called the “Indenture”), to which Indenture reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties, and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder. Capitalized terms used herein and not defined herein shall have the respective meanings in the Indenture, unless otherwise noted.

The Bonds of the 2059 Series are not subject to any sinking fund.

The Bonds of the 2059 Series may be redeemed by the Company prior to maturity as a whole, at any time, or in part, from time to time on notice given not more than ninety nor less than thirty days prior to the date of such redemption at the option of the Company at a price equal to the greater of (i) the principal amount of the portion of this bond to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on this bond (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2059 Series outstanding on or after August 15, 2059 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption.

If this bond or any portion thereof (\$10,000 or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the date fixed for such redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five percent in principal amount of the

bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty percent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons if the modifications or alterations would adversely affect or diminish the rights of the holders of any bonds against the Company or its property; provided, however, that no such modification or alteration shall be made without the written approval or consent of all holders hereof which will (i) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof, (ii) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (iii) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

The transfer of this bond is registrable by the registered owner hereof in person or by such owner's attorney duly authorized in writing, at the corporate trust office of the Trustee in St. Paul, Minnesota, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee, and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or on account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the Company, the Trustee, nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$100,000 or any amount in excess thereof that is an integral multiple of \$10,000. The registered owner of this bond at its option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture. Bonds may be issued in a denomination of less than \$100,000 (but in multiples of at least \$10,000) if necessary to enable the registration of a transfer by a holder of its entire holding of bonds, or if necessary for the redemption of bonds.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in certain cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director, or officer, past, present, or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors, and officers, as such, being waived

and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

article 1
BONDS OF THE 2030 SERIES AND
CERTAIN PROVISIONS RELATING THERETO.

SECTION 1.0a *Certain Terms of Bonds of the 2030 Series.* There is hereby established a series of First Mortgage Bonds of the Company designated and entitled as “First Mortgage Bonds, 5.44% Series due 2030” (sometimes referred to as the “Bonds of the 2030 Series”). The aggregate principal amount of the Bonds of the 2030 Series shall be limited to \$50,000,000, excluding, however, any Bonds of the 2030 Series which may be executed, authenticated, and delivered in exchange for or in lieu of or in substitution for other Bonds of such Series pursuant to the provisions of the Indenture.

The definitive Bonds of the 2030 Series shall be issuable in substantially the form as hereinabove set forth in fully registered form without coupons in the denomination of \$100,000, or any amount in excess thereof that is an integral multiple of \$10,000.

Notwithstanding the provisions of Section 2.05 of the Mortgage, each Bond of the 2030 Series shall be dated as of the date sold by the Company (the “Original Issue Date”) and shall mature on September 15, 2030 (the “Maturity Date”), except to the extent redeemed or repaid prior to the Maturity Date. Each Bond of the 2030 Series shall bear interest from the Original Issue Date, which is the date the first interest period commences, at the rate of 5.44 per cent per annum (calculated on the basis of a 360-day year of twelve 30-day months), until payment of the principal thereof has been paid or made available for payment. Interest will be payable semi-annually in arrears on March 15 and September 15 (each an “Interest Payment Date”) each year commencing on March 15, 2024, and on the Maturity Date. If the Maturity Date or an Interest Payment Date falls on a day which is not a Business Day, as defined below, principal or interest payable with respect to such Maturity Date or Interest Payment Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date or Interest Payment Date, as the case may be, and, in the case of an Interest Payment Date, but not the Maturity Date, no additional interest shall accrue. The person in whose name any Bond of the 2030 Series is registered at the close of business on the applicable Record Date (as defined below) with respect to any Interest Payment Date shall be entitled to receive the interest payable thereon on such Interest Payment Date notwithstanding the cancellation of such Bond of the 2030 Series upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date, unless the Company shall default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond of the 2030 Series is registered on a subsequent record date fixed by the Company, which subsequent record date shall be fifteen days prior to the payment of such defaulted interest; *provided, however*, that interest payable on the Maturity Date will be payable to the person to whom the principal thereof shall be payable. As used herein the term “Business Day” means any day, other than a Saturday or Sunday, on which banks in The City of New York, New York are not required or authorized by law to close. As used herein, the term “Record Date” with respect to any Interest Payment Date shall mean the fifteenth day (whether or not such day

is a Business Day) next preceding such Interest Payment Date. The principal of the Bonds of the 2030 Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts at the office or agency of the Trustee located in St. Paul, Minnesota or such other office of the Trustee that functions as its financial operations center, and interest on such Bonds of the 2030 Series shall be payable in like coin or currency at said office or agency, with payment at maturity (or, if applicable, upon redemption) made against presentation of such Bonds for cancellation.

Upon compliance with the provisions of Section 2.06 of the Mortgage and as provided in this Supplemental Indenture, and upon payment of any taxes or other governmental charges payable upon such exchange, Bonds of the 2030 Series may be exchanged for a new Bond or Bonds of the 2030 Series of different authorized denominations of like aggregate principal amount. The Trustee hereunder shall, by virtue of its office as such Trustee, be the registrar and transfer agent of the Company for the purpose of registering permitted transfers of Bonds of the 2030 Series.

Notwithstanding the provisions of Section 2.11 of the Mortgage, no service charge shall be made for any exchange or registration of transfer of Bonds of the 2030 Series, but the Company or the Trustee at either of their option may require payment of a sum sufficient to cover any tax or other governmental charge incident thereto.

SECTION 1.0b*Redemption Provisions for Bonds of the 2030 Series.* The Bonds of the 2030 Series may be redeemed prior to maturity at any time, in whole or in part, upon prior notice given by mailing such notice to the respective registered owners of such Bonds of the 2030 Series not less than thirty nor more than ninety days prior to the redemption date and as otherwise required by the provisions of Article Nine of the Mortgage, at the option of the Company, at a redemption price equal to the greater of (i) 100 percent of the principal amount of the portion of the Bonds of the 2030 Series to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on the Bonds of the 2030 Series (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2030 Series outstanding on or after June 15, 2030 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption. The Company shall give the Trustee notice of such redemption price immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation.

Notwithstanding the provisions of Section 9.03 of the Mortgage, in the case of any partial redemption of the Bonds of the 2030 Series, the principal amount of the Bonds to be redeemed shall be allocated pro rata among all holders of such Bonds of the 2030 Series at the time outstanding and in accordance with the unpaid principal amount thereof.

The following definitions shall apply for purposes of this Section 1.02:

(a) "Adjusted Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable

Treasury Price for such redemption date. The Adjusted Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

(b) “Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Bonds of the 2030 Series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Bonds of the 2030 Series.

(c) “Comparable Treasury Price” means, with respect to any redemption date, (A) the average of four Reference Treasury Dealer Quotations for the redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations for the redemption date, or (B) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

(d) “Independent Investment Banker” means an independent investment and banking institution of national standing appointed by the Company.

(e) “Reference Treasury Dealer” means a primary U.S. Government securities dealer in New York City selected by the Independent Investment Banker.

(f) “Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the fourth Business Day preceding the redemption date.

SECTION 1.0c *Sections 4.04, 4.05, and 4.06 to Remain in Effect.* Notwithstanding the provisions of Sections 4.04, 4.05, 4.06, and 4.07 of the Mortgage, the provisions of Sections 4.04, 4.05, and 4.06 of the Mortgage shall remain in full force and effect and shall be performed by the Company so long as any Bonds of the 2030 Series remain outstanding.

SECTION 1.0d *Certain Requirements of Mortgage to Remain Applicable.* The requirements which are stated in the next to the last paragraph of Section 1.13 and in Clause (9) of Paragraph A of Section 3.01 of the Mortgage to be applicable so long as any of the Bonds of the 1975 Series are outstanding shall remain applicable so long as any of the Bonds of the 2030 Series are outstanding.

SECTION 1.0e *Certain Exceptions to Sections 2.06 and 2.10 of the Mortgage.* Notwithstanding the provisions of Section 2.06 or Section 2.10 of the Mortgage, the Company shall not be required (a) to issue, register, discharge from registration, exchange, or register the transfer of any Bond of the 2030 Series for a period of fifteen days next preceding any selection by the Trustee of Bonds of the 2030 Series to be redeemed or (b) to register, discharge from registration, exchange, or register the permitted transfer of any Bond of the 2030 Series so selected for redemption in its entirety or (c) to exchange or register the permitted transfer of any portion of a Bond of the 2030 Series which portion has been so selected for redemption.

SECTION 1.0f *Reference to Minimum Provision for Depreciation in Certificate of Available Additions.* So long as any Bonds of the 2030 Series remain outstanding, all

references to the minimum provision for depreciation in the form of certificate of available additions set forth in Section 3.03 of the Mortgage shall be included in any certificate of available additions filed with the Trustee, but whenever Bonds of the 2030 Series shall no longer be outstanding, all references to such minimum provisions for depreciation may be omitted from any such certificate.

SECTION 1.0g *Reporting Obligations*. To the extent the Company is no longer required to file or does not voluntarily file the following documents with the Securities and Exchange Commission (the “SEC”), so long as any Bonds of the 2030 Series are outstanding, the Company shall furnish to the Trustee, within the time periods specified in the SEC’s rules and regulations, the following:

(a) All quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” that describes the financial condition and results of operations of the Company and its consolidated subsidiaries and, with respect to the annual information only, a report thereon by the Company’s certified independent accountants.

(b) All current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

The Trustee shall retain such documents in accordance with its customary procedures.

Delivery of such reports, information, and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein (as to which the Trustee may rely solely on Officers’ Certificates).

SECTION 1.0h *CUSIP, ISIN, Private Placement, or Common Code Numbers*. The Company in issuing the Bonds of the 2030 Series may use “CUSIP,” “ISIN,” “Private Placement,” or “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use such numbers in notices of redemption or repurchase as a convenience to holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the bonds or as contained in any notice of a redemption or repurchase and that reliance may be placed only on the other identification numbers printed on the bonds, and any such redemption or repurchase shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in “CUSIP,” “ISIN,” “Private Placement,” or “Common Code” numbers.

SECTION 1.0i *Duration of Article One*. This Article One shall be of force and effect only so long as any Bonds of the 2030 Series are outstanding.

article 2 **BONDS OF THE 2033 SERIES AND** **CERTAIN PROVISIONS RELATING THERETO.**

SECTION 1.0a*Certain Terms of Bonds of the 2038 Series.* There is hereby established a series of First Mortgage Bonds of the Company designated and entitled as "First Mortgage Bonds, 5.68% Series due 2038" (sometimes referred to as the "Bonds of the 2038 Series"). The aggregate principal amount of the Bonds of the 2038 Series shall be limited to \$100,000,000, excluding, however, any Bonds of the 2038 Series which may be executed, authenticated, and delivered in exchange for or in lieu of or in substitution for other Bonds of such Series pursuant to the provisions of the Indenture.

The definitive Bonds of the 2038 Series shall be issuable in substantially the form as hereinabove set forth in fully registered form without coupons in the denomination of \$100,000, or any amount in excess thereof that is an integral multiple of \$10,000.

Notwithstanding the provisions of Section 2.05 of the Mortgage, each Bond of the 2038 Series shall be dated as of the date sold by the Company (the "Original Issue Date") and shall mature on September 15, 2038 (the "Maturity Date"), except to the extent redeemed or repaid prior to the Maturity Date. Each Bond of the 2038 Series shall bear interest from the Original Issue Date, which is the date the first interest period commences, at the rate of 5.68 per cent per annum (calculated on the basis of a 360-day year of twelve 30-day months), until payment of the principal thereof has been paid or made available for payment. Interest will be payable semi-annually in arrears on March 15 and September 15 (each an "Interest Payment Date") each year commencing on March 15, 2024, and on the

Maturity Date. If the Maturity Date or an Interest Payment Date falls on a day which is not a Business Day, as defined below, principal or interest payable with respect to such Maturity Date or Interest Payment Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date or Interest Payment Date, as the case may be, and, in the case of an Interest Payment Date, but not the Maturity Date, no additional interest shall accrue. The person in whose name any Bond of the 2038 Series is registered at the close of business on the applicable Record Date (as defined below) with respect to any Interest Payment Date shall be entitled to receive the interest payable thereon on such Interest Payment Date notwithstanding the cancellation of such Bond of the 2038 Series upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date, unless the Company shall default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond of the 2038 Series is registered on a subsequent record date fixed by the Company, which subsequent record date shall be fifteen days prior to the payment of such defaulted interest; *provided, however*, that interest payable on the Maturity Date will be payable to the person to whom the principal thereof shall be payable. As used herein the term “Business Day” means any day, other than a Saturday or Sunday, on which banks in The City of New York, New York are not required or authorized by law to close. As used herein, the term “Record Date” with respect to any Interest Payment Date shall mean the fifteenth day (whether or not such day is a Business Day) next preceding such Interest Payment Date. The principal of the Bonds of the 2038 Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts at the office or agency of the Trustee located in St. Paul, Minnesota or such other office of the Trustee that functions as its financial operations center, and interest on such Bonds of the 2038 Series shall be payable in like coin or currency at said office or agency, with payment at maturity (or, if applicable, upon redemption) made against presentation of such Bonds for cancellation.

Upon compliance with the provisions of Section 2.06 of the Mortgage and as provided in this Supplemental Indenture, and upon payment of any taxes or other governmental charges payable upon such exchange, Bonds of the 2038 Series may be exchanged for a new Bond or Bonds of the 2038 Series of different authorized denominations of like aggregate principal amount. The Trustee hereunder shall, by virtue of its office as such Trustee, be the registrar and transfer agent of the Company for the purpose of registering permitted transfers of Bonds of the 2038 Series.

Notwithstanding the provisions of Section 2.11 of the Mortgage, no service charge shall be made for any exchange or registration of transfer of Bonds of the 2038 Series, but the Company or the Trustee at either of their option may require payment of a sum sufficient to cover any tax or other governmental charge incident thereto.

SECTION 1.0b*Redemption Provisions for Bonds of the 2038 Series.* The Bonds of the 2038 Series may be redeemed prior to maturity at any time, in whole or in part, upon prior notice given by mailing such notice to the respective registered owners of such Bonds of the 2038 Series not less than thirty nor more than ninety days prior to the redemption date and as otherwise required by the provisions of Article Nine of the Mortgage, at the option of the Company, at a redemption price equal to the greater of (i) 100 percent of the principal amount of the portion of the Bonds of the 2038 Series to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on the Bonds of the 2038 Series (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points,

together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2038 Series outstanding on or after June 15, 2038 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption. The Company shall give the Trustee notice of such redemption price immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation.

Notwithstanding the provisions of Section 9.03 of the Mortgage, in the case of any partial redemption of the Bonds of the 2038 Series, the principal amount of the Bonds to be redeemed shall be allocated pro rata among all holders of such Bonds of the 2038 Series at the time outstanding and in accordance with the unpaid principal amount thereof.

The following definitions shall apply for purposes of this Section 3.02:

(a) “Adjusted Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Adjusted Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

(b) “Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Bonds of the 2038 Series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Bonds of the 2038 Series.

(c) “Comparable Treasury Price” means, with respect to any redemption date, (A) the average of four Reference Treasury Dealer Quotations for the redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations for the redemption date, or (B) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

(d) “Independent Investment Banker” means an independent investment and banking institution of national standing appointed by the Company.

(e) “Reference Treasury Dealer” means a primary U.S. Government securities dealer in New York City selected by the Independent Investment Banker.

(f) “Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the fourth Business Day preceding the redemption date.

SECTION 1.0c *Sections 4.04, 4.05, and 4.06 to Remain in Effect.* Notwithstanding the provisions of Sections 4.04, 4.05, 4.06, and 4.07 of the Mortgage, the provisions of Sections 4.04, 4.05, and 4.06 of the Mortgage shall remain in full force and effect and shall be performed by the Company so long as any Bonds of the 2038 Series remain outstanding.

SECTION 1.0d *Certain Requirements of Mortgage to Remain Applicable.* The requirements which are stated in the next to the last paragraph of Section 1.13 and in Clause (9) of Paragraph A of Section 3.01 of the Mortgage to be applicable so long as any of the Bonds of the 1975 Series are outstanding shall remain applicable so long as any of the Bonds of the 2038 Series are outstanding.

SECTION 1.0e *Certain Exceptions to Sections 2.06 and 2.10 of the Mortgage.* Notwithstanding the provisions of Section 2.06 or Section 2.10 of the Mortgage, the Company shall not be required (a) to issue, register, discharge from registration, exchange, or register the transfer of any Bond of the 2038 Series for a period of fifteen days next preceding any selection by the Trustee of Bonds of the 2038 Series to be redeemed or (b) to register, discharge from registration, exchange, or register the permitted transfer of any Bond of the 2038 Series so selected for redemption in its entirety or (c) to exchange or register the permitted transfer of any portion of a Bond of the 2038 Series which portion has been so selected for redemption.

SECTION 1.0f *Reference to Minimum Provision for Depreciation in Certificate of Available Additions.* So long as any Bonds of the 2038 Series remain outstanding, all references to the minimum provision for depreciation in the form of certificate of available additions set forth in Section 3.03 of the Mortgage shall be included in any certificate of available additions filed with the Trustee, but whenever Bonds of the 2038 Series shall no longer be outstanding, all references to such minimum provisions for depreciation may be omitted from any such certificate.

SECTION 1.0g *Reporting Obligations.* To the extent the Company is no longer required to file or does not voluntarily file the following documents with the Securities and Exchange Commission (the “SEC”), so long as any Bonds of the 2038 Series are outstanding, the Company shall furnish to the Trustee, within the time periods specified in the SEC’s rules and regulations, the following:

(a) All quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” that describes the financial condition and results of operations of the Company and its consolidated subsidiaries and, with respect to the annual information only, a report thereon by the Company’s certified independent accountants.

(b) All current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

The Trustee shall retain such documents in accordance with its customary procedures.

Delivery of such reports, information, and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein (as to which the Trustee may rely solely on Officers’ Certificates).

SECTION 1.0h *CUSIP, ISIN, Private Placement, or Common Code Numbers.* The Company in issuing the Bonds of the 2038 Series may use “CUSIP,” “ISIN,” “Private Placement,” or “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use such numbers in notices of redemption or repurchase as a convenience to holders; *provided, however,* that any such notice may state that no representation is made

as to the correctness of such numbers either as printed on the bonds or as contained in any notice of a redemption or repurchase and that reliance may be placed only on the other identification numbers printed on the bonds, and any such redemption or repurchase shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in "CUSIP," "ISIN," "Private Placement," or "Common Code" numbers.

SECTION 1.0i *Duration of Article Three.* This Article Three shall be of force and effect only so long as any Bonds of the 2038 Series are outstanding.

article 5
BONDS OF THE 2059 SERIES AND
CERTAIN PROVISIONS RELATING THERETO.

SECTION 1.0a *Certain Terms of Bonds of the 2059 Series*. There is hereby established a series of First Mortgage Bonds of the Company designated and entitled as “First Mortgage Bonds, 5.83% Series due 2059” (sometimes referred to as the “Bonds of the 2059 Series”). The aggregate principal amount of the Bonds of the 2059 Series shall be

limited to \$100,000,000, excluding, however, any Bonds of the 2059 Series which may be executed, authenticated, and delivered in exchange for or in lieu of or in substitution for other Bonds of such Series pursuant to the provisions of the Indenture.

The definitive Bonds of the 2059 Series shall be issuable in substantially the form as hereinabove set forth in fully registered form without coupons in the denomination of \$100,000, or any amount in excess thereof that is an integral multiple of \$10,000.

Notwithstanding the provisions of Section 2.05 of the Mortgage, each Bond of the 2059 Series shall be dated as of the date sold by the Company (the "Original Issue Date") and shall mature on November 15, 2059 (the "Maturity Date"), except to the extent redeemed or repaid prior to the Maturity Date. Each Bond of the 2059 Series shall bear interest from the Original Issue Date, which is the date the first interest period commences, at the rate of 5.83 per cent per annum (calculated on the basis of a 360-day year of twelve 30-day months), until payment of the principal thereof has been paid or made available for payment. Interest will be payable semi-annually in arrears on May 15 and November 15 (each an "Interest Payment Date") each year commencing with the first Interest Payment Date occurring after the Original Issue Date, and on the Maturity Date. If the Maturity Date or an Interest Payment Date falls on a day which is not a Business Day, as defined below, principal or interest payable with respect to such Maturity Date or Interest Payment Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date or Interest Payment Date, as the case may be, and, in the case of an Interest Payment Date, but not the Maturity Date, no additional interest shall accrue. The person in whose name any Bond of the 2059 Series is registered at the close of business on the applicable Record Date (as defined below) with respect to any Interest Payment Date shall be entitled to receive the interest payable thereon on such Interest Payment Date notwithstanding the cancellation of such Bond of the 2059 Series upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date, unless the Company shall default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond of the 2059 Series is registered on a subsequent record date fixed by the Company, which subsequent record date shall be fifteen days prior to the payment of such defaulted interest; *provided, however*, that interest payable on the Maturity Date will be payable to the person to whom the principal thereof shall be payable. As used herein the term "Business Day" means any day, other than a Saturday or Sunday, on which banks in The City of New York, New York are not required or authorized by law to close. As used herein, the term "Record Date" with respect to any Interest Payment Date shall mean the fifteenth day (whether or not such day is a Business Day) next preceding such Interest Payment Date. The principal of the Bonds of the 2059 Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts at the office or agency of the Trustee located in St. Paul, Minnesota or such other office of the Trustee that functions as its financial operations center, and interest on such Bonds of the 2059 Series shall be payable in like coin or currency at said office or agency, with payment at maturity (or, if applicable, upon redemption) made against presentation of such Bonds for cancellation.

Upon compliance with the provisions of Section 2.06 of the Mortgage and as provided in this Supplemental Indenture, and upon payment of any taxes or other governmental charges payable upon such exchange, Bonds of the 2059 Series may be exchanged for a new Bond or Bonds of the 2059 Series of different authorized denominations of like aggregate principal amount. The Trustee hereunder shall, by virtue of its office as such Trustee, be the registrar and transfer agent of the Company for the purpose of registering permitted transfers of Bonds of the 2059 Series.

Notwithstanding the provisions of Section 2.11 of the Mortgage, no service charge shall be made for any exchange or registration of transfer of Bonds of the 2059 Series, but the Company or the Trustee at either of their option may require payment of a sum sufficient to cover any tax or other governmental charge incident thereto.

SECTION 1.0b*Redemption Provisions for Bonds of the 2059 Series.* The Bonds of the 2059 Series may be redeemed prior to maturity at any time, in whole or in part, upon prior notice given by mailing such notice to the respective registered owners of such Bonds of the 2059 Series not less than thirty nor more than ninety days prior to the redemption date and as otherwise required by the provisions of Article Nine of the Mortgage, at the option of the Company, at a redemption price equal to the greater of (i) 100 percent of the principal amount of the portion of the Bonds of the 2059 Series to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest (not including any portion of such payments of interest accrued as of the date of redemption) due on the Bonds of the 2059 Series (or portion thereof) to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 50 basis points, together in each case with accrued and unpaid interest to the date of redemption. Notwithstanding the foregoing, so long as no event of default as defined in the Indenture shall then exist, any prepayment made by the Company of all or any portion of the Bonds of the 2059 Series outstanding on or after May 15, 2059 shall be made at 100% of the principal so prepaid plus accrued and unpaid interest to the date of redemption. The Company shall give the Trustee notice of such redemption price immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation.

Notwithstanding the provisions of Section 9.03 of the Mortgage, in the case of any partial redemption of the Bonds of the 2059 Series, the principal amount of the Bonds to be redeemed shall be allocated pro rata among all holders of such Bonds of the 2059 Series at the time outstanding and in accordance with the unpaid principal amount thereof.

The following definitions shall apply for purposes of this Section 5.02:

(a) “Adjusted Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Adjusted Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

(b) “Comparable Treasury Issue” means the United States Treasury security confirmed by an Independent Investment Banker as having a maturity equal to the remaining term of the Bonds of the 2059 Series to be redeemed as of such date. If there are no such United States Treasury securities having a maturity equal to such remaining term, then such implied yield to maturity will be determined by (i) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (ii) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run United States Treasury securities with the maturities (1) closest to and greater than such remaining term and (2) closest to and less than remaining term. If there is no available United States Treasury greater than such remaining term to be used for linear interpolation, and if there is no such United States Treasury constant maturity having a term equal to two years either side of such remaining term, the yield to maturity will be determined by the available United States Treasury whose

maturity, is “closest” to the remaining term. The selection of this “closest” United States Treasury will be confirmed by the Independent Investment Banker.

(c) “Comparable Treasury Price” means, with respect to any redemption date, (A) the average of four Reference Treasury Dealer Quotations for the redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations for the redemption date, or (B) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

SECTION 1.0e *Certain Exceptions to Sections 2.06 and 2.10 of the Mortgage.* Notwithstanding the provisions of Section 2.06 or Section 2.10 of the Mortgage, the Company shall not be required (a) to issue, register, discharge from registration, exchange, or register the transfer of any Bond of the 2059 Series for a period of fifteen days next preceding any selection by the Trustee of Bonds of the 2059 Series to be redeemed or (b) to register, discharge from registration, exchange, or register the permitted transfer of any Bond of the 2059 Series so selected for redemption in its entirety or (c) to exchange or register the permitted transfer of any portion of a Bond of the 2059 Series which portion has been so selected for redemption.

SECTION 1.0g *Reporting Obligations*. To the extent the Company is no longer required to file or does not voluntarily file the following documents with the Securities and Exchange Commission (the “SEC”), so long as any Bonds of the 2059 Series are outstanding, the Company shall furnish to the Trustee, within the time periods specified in the SEC’s rules and regulations, the following:

(a) All quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” that describes the financial condition and results of operations of the Company and its consolidated subsidiaries and, with respect to the annual information only, a report thereon by the Company’s certified independent accountants.

The Trustee shall retain such documents in accordance with its customary procedures.

The Company shall promptly notify the Trustee in writing of any change in “CUSIP,” “ISIN,” “Private Placement,” or “Common Code” numbers.

SECTION 1.0c *Invalid, Illegal, or Unenforceable Provisions.* In case any one or more of the provisions contained in this Supplemental Indenture or in the Bonds shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions of this Supplemental Indenture, but this Supplemental Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

SECTION 1.0d *Counterparts.* This Supplemental Indenture may be executed in any number of counterparts, and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts, or as many of them as the Company and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

By acceptance of any Bond issued hereunder, unless otherwise prohibited by law, each holder is deemed to agree to provide to the Company, the Trustee or any agent any information or certification that may be required under applicable law with respect to withholding, backup withholding or information reporting, and update or replace such form, information or certification in accordance with its terms or its subsequent amendments to the extent necessary. Notwithstanding any other provision of this Supplemental Indenture, failure of a holder to provide the required tax certificates and information may result in amounts of tax being withheld from the payment to such holder without liability, provided that, except as otherwise required by applicable law, the Company and Trustee will not withhold from any applicable payment to be made to a holder of a Bond that is not a United States Person any tax so long as such holder shall have delivered to the Company (in such number of copies as shall be requested) on or about the date on which such holder becomes a holder under this Supplemental Indenture (and from time to time thereafter upon the reasonable request of the Company, the Trustee or any agent), copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, as well as the applicable “U.S. Tax Compliance Certificate”, and any successor or additional form, information or certification as may be required by applicable law, in each case correctly completed and executed. The Company, the Trustee, or any agent, as the case may be, shall have no obligation to gross up any payment hereunder or pay any additional amount as a result of such withholding tax. The Company agrees to provide to the Trustee, upon request, sufficient information about Bond holders or other applicable parties and/or transactions (including any modification to the terms of such transactions), to the extent that such information is in the possession of the Company, so as to enable the Trustee to determine whether it has tax related obligations under applicable law. Nothing in this Section 7.09 shall require any holder to provide information that is confidential or proprietary to such holder unless the Company or Trustee is required to obtain such information under applicable law with respect to withholding, backup withholding or information reporting and, in such event, the Company and Trustee shall treat any such information it receives as confidential (except to the extent necessary to report to the applicable taxing authority). The terms of this section shall survive the resignation or removal of the Trustee and the termination of this Supplemental Indenture.

In connection with any proposed transfer of a Bond, the transferor shall be required to use commercially reasonable efforts to provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting
