Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

On February 20, 2008, the Compensation and Human Resources Committee of the Board of Directors of Portland General Electric Company (the Company) approved the structure of the Company's annual incentive program for the 2008 award year (2008 Incentive Program) under the Company's 2008 Annual Cash Incentive Master Plan for Executive Officers (ACI Plan) for the following named executive officers (as defined in Item 402(a)(3) of Regulation S-K) (Named Executive Officers):

Name	Title
Peggy Y. Fowler	<i>Chief Executive Officer and President</i>
James J. Piro	<i>Executive Vice President, Finance, Chief Financial Officer and Treasurer</i>
Arleen N. Barnett	<i>Vice President, Administration</i>
Stephen R. Hawke	<i>Senior Vice President, Customer Service and Delivery</i>

A copy of the ACI Plan is filed with this report as Exhibit 10.1.

The 2008 Incentive Program provides for cash awards based on the attainment of certain Company performance goals. Awards are calculated by multiplying base salary paid for 2008 by the product of the officer's target award opportunity (Target Award) and a percentage ranging from 0% to 200%, based on results with respect to four annual Company performance goals, as adjusted pursuant to the ACI Plan (Performance Percentage). This formula is shown below:

$$\text{Award} = 2008 \text{ Base Salary Paid} \times \text{Target Award} \times \text{Performance Percentage}$$

Target Awards

The Compensation and Human Resources Committee established the following Target Awards for the Named Executive Officers, which are expressed as a percentage of each Named Executive Officer's respective 2008 base salary:

Name	Target Award
Peggy Y. Fowler	80%
James J. Piro	55%
Arleen N. Barnett	50%
Stephen R. Hawke	50%

Performance Percentage

The Performance Percentage ranges from 0% to 200%, and is a function of Company performance with respect to the following goals:

1. Overall customer satisfaction rating. This is measured by the Company's rating relative to other utility companies, based on the weighted average of the following: (1) the four-quarter rating average of the Market Strategies study for Residential Customers; (2) the semiannual rating average of the Market Strategies study for Business Customers; and (3) the annual rating results from the TQS Research, Inc. study for key business customers. These rating numbers are weighted by the annual revenue from each customer group that produces the annual rating.

2. Electric service power quality and reliability. This is measured by three standard electric utility industry measures: SAIDI (system average interruption duration index), SAIFI (system average sustained interruption frequency index) and MAIFI (momentary average interruption frequency index of events for the system). Results for each index are mapped onto a common rating scale, and then weighted equally and summed for an overall performance result.

3. **Generation plant availability.** This is measured by the total number of hours in the year, less scheduled outage hours, less forced outage hours, divided by the total number of hours in the year. The actual availability of each plant is measured for the year and weighted based on megawatt output to arrive at a total percentage for the year.

4. **Net income,** as a percentage of budgeted net income established by the Board of Directors.

Pursuant to the terms of the ACI Plan, in determining the extent to which these performance goals are attained, the Compensation and Human Resources Committee will disregard or offset the effect of any extraordinary, unusual and/or non-recurring items, such as (i) regulatory disallowances or other adjustments, (ii) restructuring or restructuring-related charges, (iii) gains or losses on the disposition of a business or major asset, (iv) changes in regulatory, tax or accounting regulations or laws, (v) resolution and/or settlement of litigation and other legal proceedings or (vi) the effect of a merger or acquisition.

To determine the Performance Percentage, results for the four goals will be weighted as follows: overall customer satisfaction rating and electric service power quality and reliability will each be weighted 20%, and generation plant availability and net income will each be weighted 30%. Net income must be at least 70% of budgeted net income for any awards to be earned under the 2008 Incentive Program.

Maximum Award

The maximum award opportunities under the 2008 Incentive Program, expressed as a percentage of 2008 base salary, are 160% for Ms. Fowler, 110% for Mr. Piro, 100% for Ms. Barnett and 100% for Mr. Hawke.

SECTION 8

Section 162(m) Awards

8.1. Generally. The Committee may determine that an Award granted to a Covered Executive will be granted in a manner such that the Award qualifies for the performance-based compensation exemption of Section 162(m) of the Code ("Performance-Based Awards"). Such Performance-Based Awards shall be based on achievement of hurdle rates and/or growth rates in one or more business criteria that apply to the individual participant, one or more business units, or the Company as a whole. In addition, Performance-Based Awards may include comparisons to the performance of other companies, such performance to be measured by one or more business criteria.

8.4. Certification of Performance. No Performance-Based Awards shall be payable to any Participant until the Committee certifies in writing that the applicable performance goals (and any other material terms) have been satisfied.

8.5. Other Requirements. With respect to any Awards intended to qualify as Performance-Based Awards, after establishment of a performance goal, the Committee shall not revise such performance goal or increase the amount payable thereunder upon the attainment of such performance goal (in accordance with the requirements of Section 162(m) of the Code and the regulations thereunder). Notwithstanding the preceding sentence, (i) the Committee may adjust downward, but not upward, the amount payable pursuant to such Award upon attainment of the performance goals, (ii) the Committee may waive the achievement of the applicable performance goals in the case of the death or Disability of the Participant, or under such other conditions where such waiver will not jeopardize the treatment of other Awards as "qualified performance-based compensation" under Section 162(m), and (iii) the Committee shall disregard or offset the effect of any "Extraordinary Items" in determining the attainment of performance goals. For this purpose, "Extraordinary Items" means extraordinary, unusual and/or non-recurring items, including but not limited to, (i) regulatory disallowances or other adjustments, (ii) restructuring or restructuring-related charges, (iii) gains or losses on the disposition of a business or major asset, (iv) changes in regulatory, tax or accounting regulations or laws, (v) resolution and/or settlement of litigation and other legal proceedings or (vi) the effect of a merger or acquisition. 9.2. Changes to Subsidiary. In the event of the reorganization, merger, consolidation, or sale of substantially all of the assets of a subsidiary of the Company to another entity not related to the Company, any Award to a Participant that is an employee of such subsidiary shall be treated in the manner determined by the Board in its discretion.

10.7. Choice of Law. The Plan shall be interpreted under the laws of the State of Oregon notwithstanding any conflict of law principles. Venue for all claims and actions related to or arising under the Plan shall be exclusively in the courts of the State of Oregon.

SECTION 11

Amendment, Suspension, or Termination of Plan
