Changes to the Annual Cash Incentive Master Plan

Portland General Electric Company (PGE, or the Company) previously filed a summary description of the provisions of an annual cash incentive master plan for 2004 (Plan), which has not been reduced to a formal document, as Exhibit 10.15 to the Company's Annual Report on Form 10-K filed for the fiscal year ended December 31, 2003. Attached as Exhibit 10.1 to this current report on Form 8-K is an updated summary description of the Plan reflecting, among other things, changes that became effective on February 16, 2005 to eliminate the consent of the Compensation Committee of the Board of Directors of Enron Corp. in the approval of Plan operation and funding level adjustments.

Annual Cash Incentive Master Plan - 2004 Awards

On February 12, 2005, the Board of Directors of PGE (Board) approved the funding for the payment of cash bonus awards for fiscal year 2004 (2004 Awards) under the Plan, including awards for the Chief Executive Officer (CEO) and the four other most highly-compensated officers of PGE (Executive Officers). The 2004 Awards were granted for achievement of 2004 strategic and individual performance goals approved by the Compensation Committee of the Board of Directors of PGE (PGE Compensation Committee). These performance goals are set forth in Attachment A to the updated summary description of the Plan filed as an exhibit hereto.

The strategic and individual performance goals for 2004 were a combination of (i) a financial goal consisting of achievement of a specified level of Net Income (as described in the Plan) and (ii) individual performance goals consisting of achievement of one or more goals related to customer value, trust, supply position, economic growth, employer / employee relationship and operational excellence. The PGE Compensation Committee set Threshold, Target and Maximum levels of Net Income, which determined the funding level of the 2004 Awards ranging from 50% for Threshold to 167% for Maximum.

The PGE Compensation Committee determined the target award opportunity of the CEO. The CEO determined the target award opportunity of the other Executive Officers, subject to approval by the Compensation Committee. The amount of the target award opportunity is expressed as a percentage of base salary paid and ranges from 60% to 100% for the Executive Officers. The attainment of strategic and individual performance goals by Executive Officers resulted in a performance rating, which is aligned with an incentive performance rating percentage ranging from 0% to 120%. The 2004 Awards were calculated by multiplying base salary paid for the year by the product of the target award opportunity, incentive performance rating percentage and a percentage based upon Net Income. Accordingly, the Company's Executive Officers will receive 2004 Awards equal to the following: Peggy Y. Fowler, Chief Executive Officer and President, \$376,744; James J. Piro, Executive Vice President, Finance, Chief Financial Officer and Treasurer, \$138,857; Douglas R. Nichols, Vice President, General Counsel and Secretary, \$124,730; Stephen M. Quennoz, Vice President, Nuclear & Power Supply/Generation, \$115,815; and Stephen R. Hawke, Vice President, Customer Service & Delivery, \$115,042.

**UPDATED SUMMARY DESCRIPTION OF THE
PORTLAND GENERAL ELECTRIC COMPANY
ANNUAL CASH INCENTIVE MASTER PLAN FOR 2004**

Plan Administration

The Annual Cash Incentive Master Plan for 2004 (Plan) is administered by the President and Chief Executive Officer (CEO) of Portland General Electric Company (PGE, or the Company). The CEO may alter policies and rules for the proper and effective administration of the Plan. Changes in Plan operations and funding levels require the approval of the Board of Directors of PGE (Board). Such changes may alter any participant's right to an unpaid award.

Eligibility

- The CEO is automatically eligible to participate.
- The CEO approves participants annually. Participants must be current employees of the Company. Participants should have a direct, significant, and measurable impact on the attainment of the Company's growth and profitability objectives. Participants may be added during the year at the discretion of the CEO. The CEO is not bound by selections made for prior years.
- Participants are not eligible to participate in any other annual incentive plan of the Company without the specific approval of the CEO.

Allocation and Determination of Awards

Each year, the Compensation Committee of the Board of Directors of PGE (PGE Compensation Committee) determines the CEO's target award opportunity. The CEO determines each remaining participant's target award opportunity, subject to approval by the Compensation Committee. Awards will be based upon pre-established annual strategic and individual performance goals established by the PGE Compensation Committee. See Attachment A for additional information regarding 2004 performance criteria for the CEO and the four other most highly-compensated officers of PGE (Executive Officers). Incentive cash awards are calculated by multiplying base salary paid for the year by the product of the target award opportunity, incentive performance rating percentage and a percentage based upon Net Income, as those terms are described in Attachment A.

However, if the PGE Compensation Committee determines that the established financial measures are no longer suitable to Company objectives due to a change in the Company's business, operations, corporate structure, capital structure, or other conditions deemed by the PGE Compensation Committee to be material, the PGE Compensation Committee will have discretion during the year to modify the performance objectives.

Such modifications, as well as final corporate funding levels, may alter or affect any participant's right to an unpaid award.

Payment of Awards Earned

- Awards will be paid as soon as administratively possible following the close of the year. Cash payments may be deferred pursuant to the Company's deferred compensation plans, if eligible.
- The amount of award payment is dependent upon funding levels approved by the Board.

Termination of Employment

In the event of a participant's retirement, death, disability, or termination prior to award payment, the participant will forfeit all rights to any award.

Amendment, Suspension, or Termination of the Plan

- The Board may amend, suspend, or terminate the Plan at any time.
- The Board may amend, suspend, or terminate any or all unpaid awards under the Plan upon a finding of current or threatened financial hardship for the Company, which shall be final and binding upon all participants.

- If the sale of PGE is approved and completed, the dates, actions and incentive plans may change. Human Resources will notify participants of any changes.
